

Emergency Communication

Cell phone access is not predictable in Cuba. If someone needs to reach you in an emergency, there are several options:

- Send What's App to Ken (co-owner) using text (ideal) or voice at +1 301-237-265. Ken will be in Cuba with the group
- Call/text Bonnie Brady (co-owner) at 301-779-8951. Bonnie will be in the US, but able to coordinate quick communication
- Email Ken at ken@cubamusicandculture.com (effective, but slower in an emergency)
